

# 10<sup>th</sup> European Biophysics Congress

JULY 18 to 22, 2015 DRESDEN, GERMANY

# EBSA 2015

## PLENARY SPEAKERS

**MARILEEN DOGTEROM** Technical University Delft, NL

**CHRISTIAN EGGELING** University of Oxford, UK

**MARTIN FUSSENEGGER** Swiss Federal Institute of Technology, Zurich, CH

**RAYMOND GOLDSTEIN** University of Cambridge, UK

**ANGELA M. GRONENBORN** University of Pittsburgh, USA

**GUNNAR VON HEIJNE** Stockholm University, SE

**MATTHIAS RIEF** Technical University Munich, DE

## SYMPOSIA

Protein Structure and Function  
Membrane Structure and Domains  
Membranes and Vesicles  
Systems Biology and Multi-Cellular Systems  
Synthetic Biology and Nanobiophysics  
Protein-Nucleic Acid Interactions  
Live Imaging and Optical Microscopy  
Biospectroscopy, EPR and NMR  
Supramolecular Assemblies and Aggregation  
Molecular Motors  
Single Molecule Biophysics  
Biologically Active Peptides

Photobiophysics & Biological Electron & Proton Transfer  
Material Science in Biophysics  
Intrinsically Disordered Proteins  
Protein Folding, Assembly and Stability  
Biomolecular Simulation & Computational Biophysics  
New Methods for Computational Biophysics  
Molecular Recognition  
Cell Biophysics and Signaling  
Channels and Transporters  
Protein-Lipid Interactions  
Neurosciences  
New and Notable

**INTERNATIONAL CONGRESS CENTER DRESDEN, GERMANY**

**CONGRESS CHAIRMAN** Prof. Dr. Helmut Grubmüller

Max Planck Institute for Biophysical Chemistry, Göttingen, Germany

**ABSTRACT SUBMISSION DEADLINE MARCH 15, 2015**

Abstract submission  
and registration at
