Jointly organized by

SECOND ANNOUNCEMENT

April 3, 2017

We are pleased to share with you some exciting updates in the planning of the **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies**. Please visit our website to review the scientific program, as well as important information regarding abstract and registration deadlines, and exciting details about the Symposium.

SCIENTIFIC PROGRAM: The **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies** is an excellent learning and collaboration opportunity. Our scientific program includes a mixture of topics, combining some of the most prominent contributors from the joint fields with complementary but overlapping strengths. Our program is designed to encourage interaction and discussion. You can view the program here: <http://www.babs-symposium.com/index.php/program-and-speakers/scientific-program>.

CALL FOR ABSTRACTS: Abstracts are now being accepted for lecture (invited speakers), short oral, or poster presentations in each of the eight sessions. For abstract submission guidelines, please visit <http://www.babs-symposium.com/index.php/dates-and-deadlines/abstracts>. The abstract template can be downloaded as a Word file. Remember to submit your abstracts by June 1 (or to let us know if you need a few extra days). Acceptance notifications will be emailed by June 15. Questions regarding abstracts may be directed to Lydia Washechek (lwashechek@mcw.edu).

CONFERENCE REGISTRATION: The registration form will be posted soon.

ACCOMMODATIONS: If you would like assistance finding accommodations in Split, please feel free to contact Tea Marasovic (tea.marasovic@mefst.hr).

From the Organizing Committee, we thank you for your participation in the **Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies**, and we look forward to an exciting conference!
