THIRD ANNOUNCEMENT

The organizers of the Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies have the following important updates to pass along:

SCIENTIFIC PROGRAM: Our scientifically stimulating program continues to evolve; view the updated program here: <u>http://www.babs-symposium.com/index.php/program-and-speakers/scientific-program</u>.

ABSTRACTS: Visit <u>http://www.babs-symposium.com/index.php/dates-and-deadlines/abstracts</u> to view guidelines and download the form. The submission deadline is June 1; acceptance notifications will be emailed by June 15. Questions regarding abstracts may be directed to <u>abstracts@babs-symposium.com</u>.

SPECIAL ISSUE OF CELL BIOCHEMISTRY AND BIOPHYSICS (CBBI) TO BE DEVOTED TO THIS SYMPOSIUM: Short research articles, overviews, reviews, minireview papers will be rapidly peer reviewed; additional details about submission deadline and format will follow. CBBI publishes papers in biochemistry and biophysics, oxidative stress, as well as spectroscopic and innovative instrument design. We are grateful to CBBI editor-in-chief, Lawrence Berliner, for this exciting opportunity. Please visit <u>http://www.babs-</u> symposium.com/index.php/program-and-speakers/special-issue-of-cbbi for more details.

CONFERENCE REGISTRATION: Be sure to take advantage of our "early bird" lower registration rates by registering before July 31. Visit <u>http://www.babs-symposium.com/index.php/dates-and-deadlines/registration</u> to view registration info.

YOUNG INVESTIGATOR AWARDS OFFERED: The journal *Archives of Biochemistry and Biophysics* is offering two \$250 Young Investigator Awards for best poster and/or best short oral presentation (<u>http://www.babs-symposium.com/index.php/program-and-</u> <u>speakers/young-investigator-award</u>). Graduate students and postdoctoral fellows should enclose a letter from their institution as a confirmation of graduate student/postdoctoral status, together with registration form, in order to be eligible for this award.

ACCOMMODATIONS: If you would like assistance finding accommodations in Split, please feel free to contact Tea Marasović (<u>tea.marasovic@mefst.hr</u>).

From the Organizing Committee, we thank you for your participation in the Second Adriatic Symposium on Biophysical Approaches in Biomedical Studies, and we look forward to an exciting conference!
